By Kayele M. Kambombo

WINDHOEK - The long-awaited triple WBO Africa defence titles event is set for tonight at the Windhoek Country Club. The NFA has consulted the Ministry of Sports, Culture and Heritage to determine the overall winning team from the two-day event held in Windhoek.

The NFA believes that the games are an important test for the Namibian boxers to determine their readiness for the upcoming competitions.

The return of smart fighter, Peter Malakia, was totally absent. Continuing with the tradition of the past, Malakia will again be the headline act of the tournament, as he is set to defend his title against yet another African fighter.

The NFA has decided to not use the facility unreservedly, and will strictly sell only the number of tickets to the public. The NFA will also ensure the necessary conditions for the matches of the Leo NFA Cup to take place at that venue, said Barry Rakoro, NFA Secretary General.
