Israel from page 1

classified as a country to work on our values, more other and one of them is that we should not only look at what government can do for us as citizens but equally what we can as citizens do for the government.

"I cannot list all the achievements and reform initiatives, but all I can say to the entire Board is that your tenure is a success story."

The incoming Board members are Thieme as chairman, (he is Chief Executive Officer of the Oldhumber and List Group of Companies), Andrew Kanirwe, (General Manager of Human Resources and Strategic Training at the Namibian National Bank Limited, Vice President Hainz, (Director of Corporate Affairs at the NBC) and John M. Ximba, (Director of General Administration for the NBC).

The outgoing Board was appointed in 2005, only to find the book is a diplomatic message sent by Peres (a pivotal figure inthe development of nuclear weapons material, and, in less than 10 months, new re-
cruitments and promotions pushed the salary bill up. Now that the NBC is financially
suffocating through careless spending and lack of financial discipline, with its salary bill now standing at nearly NS150 million per month, up from 366.

This only underscores the in-
teresting to say that there exists no basis in

domestic. Israel's government and its supporters not only abuse anyone who draws attention to the obvious parallels between the dilemmas imposed upon Palestinians living under Israeli occupation in the West Bank and Gaza and South Africa's apartheid system as anti-
Semitic. But, as the book elaborates, the similarities between the two regimes were evident to Is-
raeli officials themselves, who cited them in defending the close

A Poem dedicated to Af-
rica on Africa's Day (20 May)

My Africa, I say to you, my beginning, my end, my roots, my past, present and future; you gave me the black badge and proudly I will parade with it from the Cape to Cairo for others to see that indeed I am an African in my own right.

That whether developed or developing, Industrialised or not, you are and will always remain but My Africa!

Africa, mendekha and be vigilant against those who preaches bad

"I cannot list all the achievements and reform initiatives, but all I can say to the entire Board is that your tenure is a success story."

African counterpart, P.W. Botha, Peres bargained with his South

ter (now Israeli president) Shimon

which then Israeli defense minis-
teriments as their national duty to

board looked at their appoint-
ments, your dedication, your tire-
less efforts made it worthwhile

in my Africa; it is a daunting task," said Thieme

As the documents from
the other in the book. The timing of the documents' publication could hardly have been worse as for Washington is con-
cerned, coming at the opening of a new mệnh for our non-proliferation confer-
ence at the United Nations, which US officials had hoped to utilize as a forum for ratcheting up pres-
sure on Iran. This has taken the form of Washington portraying Iran, which has no nuclear weap-
s, to be the single largest opponent in the development of nuclear
time for peaceful purposes, as an imminent threat.

This new(documentary evidence not only confirms the secret

trials that Israel—with the white supremacist

in South Africa, soured relations originally had, appeared to be the talk

ting today is nothing less than saying

The book publication of the
documents provoked a blistering pro-
test from the Israeli president's of-

cave to the contrary. It

What precisely was the “com-
mon hatred of injustice” that Israel shared with the white supremacist

Whether developed or developing, Industrialised or not, you are and will always remain but My Africa!
