Founding Father. On top of that, Phil yaNangolo and his cronies so hate Dr. Sam Nujoma that they rather see him locked up at the ICC than see him free, for the information of Phil yaNangolo, SWAPO's lawsuit against him is long overdue and SWAPO remains both the Biblical Goliath and David forever. Let us return to his so-called analysis wherein yaNangolo shamefully claims that [From the said results it appears as if there was a prior give-and-take-agreement between President (Hifikepunye) Pohamba and former Namibian President Dr. Sam Nujoma (whom I regard as the de facto Namibian President) that "I will give you free reign on the

Omusati clique provided you give an opportunity to get rid of the nagging Johnnies-Come-Lately, such as the Elijah Ngurares, Charles Siyauyas, Clinton Swartboois, Margaret Mensah-Williamses, Katrina Hanse-Himarwas, Armas Amukwiyus, Hennie Seibebs, Veikko Nekundis and Evilastus Kaaronda and the list goes on.] It is obvious that to Phil yaNangolo, Dr. Nujoma is still the "President of Namibia", is this not reasonable argument, my fellow countrymen and women? We all know that H.E. President Hifikepunye Pohamba was democratically elected by the Namibian people to become the President of the Republic of Namibia, why should the useless Phil yaNangolo relegate our President to a cer-

emonious role?

Phil ya Nangolo goes on with his political hallucinations by alleging a 'de-Ovambonization' of SWAPO Party that [The first de-Ovambonization took place during the October 3-4, 2004 Electoral College, after the former Namibian President introduced a major shift within the ruling party. The present situation is regarded as a bonanza for Dr. Hage Geingob as this improves his chances of becoming the first non-Ovambo Head of State after Pohamba's second term expires in 2012.] And concludes that ["As I have observed recently and I want to repeat that, to me, Dr. [Elijah] Ngurare is a nonentity who thinks too much of himself and who is a figurative [army] general

without soldiers. He is an unguided missile and a dreamer who wants to become the liberator of Swapo Party from Ovambo tribalism and who is hell-bent on ridding the Swapo Party of especially the Tanga[nyika] group and install himself and his cronies.]

Ladies and gentleman, yaNangolo is drunken by the very mention or sight of Dr. Ngurare; let us not forget that Phil ya Nangolo deployed all his programmed robots to write articles, send smses to newspapers and NBC phone-in programmes and their topic was always Dr. Ngurare. In fact yaNangolo himself has written extensively on Dr. Ngurare and back in 2007, yaNangolo laid sedition charges against Dr. Ngurare for defending the Founding President when

yaNangolo, his cronies and hi-bernators wanted to take the Founding President to the ICC. Here again, yaNangolo is writing and giving press conferences and media releases mentioning Dr. Ngurare. The simple question, a reasonable person would ask is why has Phil yaNangolo done all these efforts if "Dr. Elijah Ngurare is a nonentity and a figurative [army] without soldiers"?

I conclude therefore that Phil yaNangolo most probably dreams of Dr. Ngurare even in his sleep and clearly regards him as a serious thorn in the political flesh of NSHR and his cronies. As far as I am concerned Dr. Elijah Ngurare is an entity and a true figurative [army] general with soldiers (including me) that is why we shall forever remain patrioti-

cally stubborn in pursuing the Aims and Objectives of our Mighty SWAPO Party!
