Immeasurable, the pride it gives.
And shows the talents that we still have.

Fame

The world knows many, none
Dare to speak the truth for the cause.

BORN FREES VIV A !!!!

I enjoyed what my parents did for this country... It is a fact that all of us enjoy what we have mentioned above and who is responsible for it, the SWAPO GOVERNMENT. Who is the SWAPO GOVERNMENT? Obviously SWAPO. This why I am a SWAPO member and that is why I must vote for SWAPO in the 2009 Presidential and National Assembly Elections.

My favorite who was in the front line, Namibia. The list is long................

Thank you comrades...
