I wish to thank the Governor of the Bank of Namibia for having contemplated much deeper about the selling way our only bank that we are proud of as a nation. We are all of you. Governor Iipumbu Shikulu. Aratana cannot possess anything if it is not protected by us or the law.

We have thus decided to acquire the majority shares of the Bank Windhoek Parent Company, Capricorn Investment Holding, which was to be sold to a South African company.

This was the greatest opportunity for the year. We need to liberate our self economically. We should know that we are in the second Phase of our struggle which is economic Independence.

Therefore we should work towards that goal. Mwawu, Kounda Shikulu we are with you.
