The Real Disappointed People(RDP) are provocateurs.They went to Outapi with a clear purpose to create anarchy.Therefore according to New Era dated Tuesday,10 November 2009.Eight Pistols,a short gun,four Machetes,a Hammer,an Axe,two Srewdrivers and 20 Eedibo were confiscated by the Police from RDP supporters.No matter what? We shall defeat them come 27-28 November 2009.SWAPO Party family shall start celebrate on 29 November 2009,as results being announced.Aluta Continua! for RDP to provoke Outapi residents will never bring them any votes.SWAPO United,SWAPO Victorious,Now we shall defeat RDP on 27-28 November 2009!

Am a resident of omusati Region but am angry for what RDP did to us on sunday, they drove all the long way to come to Outapi just to intimidate or what?, we were only watching them, they start loaming around the town, are they come for the rally or to roam around?, now they want to say we are violence or what. How do they think of driving all the way wherever they are from but its just to come to outapi where no support. i know each part has got it is own right to campaign wherever it want but what if i do not want them to enter my residential?

Dr.Fletcher, which i wasnt aware of. I am not in the country and we would love to hear about the message of that rally for example on the website, hence i mention the timely news.

Dear moderator, if you go to home page - you will find old stories that must be in the archives such as SWAPO Roars, No hope for RDP. my suggestion is that the news that must appear on the home page must be the latest news. Fellow comrades, we need your input into this because we want to make this website attractive an user friendly as possible.

I was impressed by the SWAPO supporters who attended the Rally at Zoo Park yesterday afternoon. I believe SWAPO still has a massive support in Namibia, i therefore urge the SWAPO leaders to work more harder as it has been doing i believe, to eliminate poverty, educate the nation, ensure peace, build more infrastructures, enhance the ICT department, to mention but a few. Thank you all and god bless Namibia with its beautiful, friendly people! Dr. Fletcher

I wonder why RDP supporters/ members have to drive all the way via Ondangwa, Ongwediva, Oshakati, Okahao and Ruacana only to hold a meeting in Outapi where they do not have supporters. Do they want to create an impression that now they have supporters in Omusati or are they plan-

ning to challenge ECN once election results comes that no one elected them in Outapi, Okahao and Ruacana? We have seen them when they drove through Oshakati. Why did they have to waste their petrol if they could just hold meetings where they took those in the follow?

◆ **Posted by Ipinge, Ongwediva**
Comrades, why is there no calendar of events/meetings/rallies etc on the line-up for SWAPO towards elections on the web?

◆ **Posted by Cde.Imelda(Keetmanshoop)**
No hope for RDP,Real disapointed People in Hardap region.On Saturday their rally only attracted 20 people.What a shame NBC news has shown us?When Mr.Livius Hamutenya was in SWAPO.He

was addressing crowd of people.Apparently he will change the education system once in power,telling 20 people or addressing empty Stadium.People of Hardap region and in particular Mariental did not join his political project.Thanx go to Cde.Omutunda Gwambala and Cde.Katrina Hanse -Imarwa for mobilizing the people of Mariental to believe and support the Mighty SWAPO Party.Now we shall defeat the come 27-28 November 2009.We are waiting them in Karas region in particular Keetmanshoop.They will address an empty stadium again in Keetmanshoop watch NBC news for more details.The last time Mr.Livius Hamutenya did not leave the hotel room to address few supporters.He sacrifices his ramb,Nyamu notes to swallow the embarasement at Joseph Stephanus Stadium.SWAPO United,SWAPO

Victorious,Now we shall defeat them on 27-28 November 2009!
