Dear Comrades,SWAPO is Alpha and Omega.They should join us or otherwise they will continue to be humiliated at the Ballox box.SWAPO always celebrate after elections.What an irresponsible allegations from Libolly Haufiku of RDP(RADOPA) in the Namibian that Angolans voted in Ohangwena region.Why they did not call the Police to arrest them?Apparently some people were given voter cards in Katutura by others that finished to vote to go and cast their votes.He can not even say at which Polling Station that happen.Why he does not call the Police to arrest them?SWAPO will continue to embarras them.Libolly now talks like Phil yaNangolo,any way birds of feathers flocks together.SWAPO United, SWAPO Victorious,Now Hard Work! Aluta Continua!!!!!!!!!!!!!!!!!!!

Congratulations to SWAPO party of Namibia for winning most of all consitituencies in Namibia and for gaining others that was led by the so called opposition parties. Its high time that the opposition start to admit the defeat and withdraw the case. They should also stop picking people from the street to represent them because those people are SWAPO members thats why in some district they get ZERO.

Here we go again...SWAPO Victorious...NOW HARDWORK...I would like to congratulate all comrades for doing the right thing and voting for the only party with ideologies and principles. Pity and a shame for parties that were formed out of anger and frustrations at whoever the perceived aggressor was. What then when the anger have subsided? With RDP, history seems to repeat itself as what happened with COD (now probably Congress of Doom). But my home region (Kunene) leaves a very bitter taste in my mouth...till when is this trend going to continue?
