Major new protests in Bahrain, Yemen, Libya and Iraq

Populations across the Middle East and North Africa continue to express opposition to their respective
governments, including political demands for a greater say in the leadership and reforms to improve
their living standards. The movement, among peoples oppressed by their own ruling elites in alliance with imper-

The US and other Western powers are extremely concerned by developments in Bahrain. Peter Goodspeed,

In the eyes of many, the prime minister is the embodiment of wealth and corruption. The demon-

Demonstrators in Bahrain have been reminded in a practical manner about US support for the reactionary
government. At the entrance to the U.S. diplomatic mission in Manama, protesters carried up-to-date
photographs of President George W. Bush and the US Army's emblem (an eagle in a shield)
